Northeast Montana Threshers Association Scholarship
Christoffersen & Knierim, PC
PO Box 650
Culbertson, MT 59218

The Northeast Montana Thresher's Association Scholarship is available to you if you are a high school senior, or are currently attending post high school education, and graduated from one of these counties: Williams County, North Dakota, Daniels, Sheridan, Roosevelt, Richland & McCone in Montana. The Northeast Montana Thresher's Association will offer total scholarship awards of approximately \$30,000 each year to deserving youth who have exemplified community service in these Northeastern Montana/North Dakota communities and demonstrate a desire to return to Montana or North Dakota upon completion of education.

The Northeast Montana Thresher's Association was founded in 1963 to preserve and demonstrate farm machinery and items used by yesterday's generations. The Association carried out its mission for over 50 years until disbanding in 2017. At this time members wanted to use the funds raised to establish a permanent scholarship endowment to benefit youth in Northeastern Montana (and Williams County, North Dakota). The intent of the scholarships is to reward those youth exemplifying citizenship and community service in their home communities, many of whom may return to their local communities and aid in keeping those communities alive and vibrant.
