Re: Update on the Governor's Mask Mandated

From: Martha R. Potter, Superintendent

Woohoo! School has started and it has been great to see all the happy faces and feel the energy of the students.

Gentle Reminder!

On August 12, 2020, the Governor of Montana amended his July 15th, 2020 directive to the citizens of Montana stating any county that has four or more active COVID-19 cases that all K-12 public and private schools will wear masks.

Therefore, when Richland County has four or more active COVID cases at any given time for the duration of this declared public health state of emergency or until the Governor's mandate is lifted **masks or shields will be worn by all who attend, work, or come to the school. We will provide masks for our students and staff. All others visitors must provide their own masks.**

Today we are at five cases in the county. This means our children and staff have been provided masks. Shields are on the way as well.

ONCE OUR COUNTY IS NOT AT FOUR OR MORE ACTIVE COVID CASES WE WILL GO BACK TO OPTIONAL MASK OR SHIELD WEARING.

PLEASE IF MASK WEARING IS A CONCERN CALL THE GOVERNOR'S OFFICE.
