

Elementary Art Rules

- **Respect**= Treat teacher, self, others, materials and room with **respect**.
- **High Five**= all students must raise their hand, look up and listen to the speaker with full attention.
- **Art Party Chart**
 - Each class starts the day with the word “ART” on the board.
 - Each class strives to earn the word “Artist” by the end of the class period.
 - Achieving “Artist” means the class earns a star on their chart.
 - After 4 stars have been awarded, the class earns a free day in art!
 - Any time a class is too loud or doesn’t follow the directions of the speaker one letter will be erased from “Art”.
 - If a class has to erase all three letters, their heads will have to be put down on their desk for an entire minute as they think about the appropriate behavior needed.
 - If there is any talking or disruptions during the heads down, the minute will begin again until the minute is achieved in full.
 - In the rare occasion when a class may have to erase “Art” from the board multiple times in a day, a minute will be added.
- **Verbal Warnings**-all students will receive a verbal warning for minor one-time behavior that is disrespectful towards anyone or anything.
- **Take-A-Break**- after a student has received a verbal warning, the student will be asked to put their head down and asked to think about the positive behavior that needs to be seen while in the art room. If disrespectful behavior continues, the following procedures will happen.
 - **1st Time**- Head down for 10 seconds
 - *Throwing ANYTHING for ANY distance will result in an immediate head down.*
 - **2nd Time**- Head down for 20 seconds
 - **3rd Time**- Moved to a separate location in the room
 - **4th Time**- Send to Principal’s Office
