

# February 2014 Newsletter

---

Dear Savage,

It is so nice to say goodbye to January and to welcome in February. We are just one month closer to spring on the prairie, and I, for one, am looking forward to it. January is typically the month for some solid instruction and learning in the classroom. I invite you to stop by the school to see what that can entail for your child. For example, the elementary students and teachers celebrated the 100<sup>th</sup> day of school with a variety of activities such as creating sculptures with 100 items, designing shirts with 100 words, and bulletin boards that portray how they will look in 100 years. These activities are based on math lessons that develop place value for addition and subtraction. I applaud the teachers for being creative in their instruction!

Our 8<sup>th</sup> graders and freshman have started their drivers' education, and are aiming for their licenses. The seniors are gathering letters of recommendation for potential scholarships, and the juniors are gearing up for their ACTs.

Of course, our students have been busy with sports and music as well. I want to thank the Savage fans for being positive during these events. Shared laughter is good for all of us.

Sincerely,

Lynne Peterson

## **FFA NEWS**

The Montana Agri-Trade Exposition will be celebrating its 38th year and would like you to be part of it. The Mate Show is February 20-22, 2014 in the Expo Center and the Montana Pavilion at the Yellowstone County Fairgrounds in Billings, MT.

Mr. Grizzle has 20 tickets and plans to attend the Expo on Friday, February 21<sup>st</sup>. He will be able to transport 5 students/adults. If you are interested, contact him at 406-776-2317 in order to reserve a ride or to get tickets.

## **Dates to Remember**

- Feb. 1- Junior High music festival
- Feb. 15-Senior night
- Feb 17-FFA in Richey
- Feb. 17-22 High School District basketball tourney in Sidney.
- Feb. 27- March 1 High School Divisional basketball tourney in Wolf Point.

## **Pennies for Patients**

It is that time of year when students collect spare change to support The Leukemia & Lymphoma Society. The money is to help find a cure for leukemia, lymphoma, and Hodgkins disease, and to improve the quality of life of patients and their families. So start setting aside that change!

# 2013-2014 Annual Staff

The yearbook for this school year is coming together quickly, but the annual staff would appreciate photos from our fans, supporters, staff and parents to really capture the story here at Savage Public School!

## Here is a list of photos we NEED!

- Junior High & Elementary Football
- Junior High Girls Basketball
- Junior High Boys Basketball
- Fans during sporting events

& any photo you feel could be published as cherished memories for our school!
