Family Education Rights and Privacy Act (FERPA)
Parent Request to Refuse Release of School Directory
Information Elementary or Middle School

**Family Education Rights and Privacy Act (FERPA)
Annual Notice for Release of School Directory Information
Elementary or Middle School**

Dear Parent or Guardian:

The Family Educational Rights and Privacy Act (FERPA) is a federal law that requires the school district, with certain exceptions, to obtain your written consent prior to the release of personally identifiable information from your child’s educational records. The exception is that the school may release some student information without written consent when the information is designated “Directory Information”. The school may not release “Directory Information if you have advised the district in a way that follows school district procedures that you do not want this information released. Using this form to make this request follows school district procedures.

The primary use for Directory Information by the district is to include this type of information in certain school publications. It is generally not considered harmful or an invasion of privacy if released. Examples of school publications are:

- a performance program, showing your child’s role in a school production
- honor roll or other recognition lists published at school or in newspapers
- school or student directory
- the school or district website

Directory Information can also be released to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to:

- other schools the student is seeking to attend (transcripts, etc.)
- state or federal authorities auditing programs, evaluating programs, or enforcing state or federal laws
- a court by order of a subpoena (legal request)

The school district has designated the following as Directory Information:

If you do not want our school or district to release directory information about your child without your prior written consent, you must complete the attached form “Parent Request to Refuse Release of School Directory Information” by__ to let us know which type of directory information you do not want released or request prior written consent prior to release.

We ask that you complete one form for each child and return the form(s) to your child’s school. If you have any questions or concerns, please let us know.

Sincerely,

_____ Name
