

Just like that the holidays are over and it is time to hunker in for the long winter months. Don't let the cold weather get you down. There is plenty to do here at Savage School. Come support our Savage Warrior basketball teams. High School season is in full swing, and the elementary season begins this month. Games are posted on our Facebook page and are in the school newsletter.

We also have a new face joining us at Savage School. Mr. John Elmore joins our teaching staff as our new full time History teacher. He recently completed his student teaching in Sidney. We look forward to all that he will bring to our school. Remember to say hi when you see him around. Mr. Murakami and Ms. Switzer will officially join our teaching staff as our 5th grade teacher and PE/Health teacher respectively. We are excited with all the great additions we have added to our school family.

We would also like to take time to thank Wade Hagler for his continued willingness to help out at the school. He ran the History program while we were looking for the perfect fit. He always goes above and beyond to help the school out and that is greatly appreciated. Wade will continue teaching our shop program.

We wish you all a Happy New Year and we look forward to a great new start to 2019. Thanks for your continuing support of Savage Schools.

Just as the 2018 Brawl of the Wild was a high-scoring affair on the football field, the National Honor's Society's Can the Cats/Can the Griz food drive had an impressive total.

All told, Savage donated 425 pounds of food for the Richland County Food Bank.

The Food Bank's scales were not working when the donations were dropped off, and so the weight breakdown between MSU and UM was not known. Based on the eye test however, the Bobcats had more food donated.

Special thanks to Valley Fuel for their donation of two large bins to help store the donations throughout the week.

Regardless of who won, it was an impressive showing from the Savage community, who did their part to ensure that families across Richland County can have a happy holiday season.

SchoolStore.com

Dear Parents,

Our school will be participating in the SchoolStore program this year. This online program helps our school earn cash without students selling door-to-door, collecting money or delivering products. Over 400 merchants, including Sears, Target and WalMart.com, have joined together to offer up to 50% of sales to our school for shopping through SchoolStore.com.

To shop and support our school, simply go to www.schoolstore.com and select our school.

Participation is key in helping get the word out about our School Store. Soon your child will come home with a parent packet requesting you to help them enter email addresses to friends and family. When you enter just 3 email addresses you'll receive a prize code your child can return the next day for a prize. Thank you for your families support of our school

Sincerely,

Savage Public School.

1011.

In March, Savage will once again be playing host to Missoula Children's Theater. We are looking for people in the community to house the two actors for the week of March 10-16. The actors each require a private room in a smoke-free house. If you are interested in housing either actors or both, please contact Mr. Hoffmann at the school.

Thank you for your support, and please mark your calendars for Friday, March 15, as that will be the performance date!

We are working on updating our school sport's records. We are aware that in the past few years a few of the records have been broken but not updated. If you know of any record that needs to be updated please let Mrs. Sanders know. We need the name of the person who broke the record, the new record, the date it occurred, and the game it occurred in (if applicable) and proper documentation(score book, Warrior stat sheet, etc.) Thank you for your help.
