The enclosed letter pertains to our asbestos waiver for our water. The letter is a required document from the Department of Environmental Quality (DEQ) to notify our residents. Please call if there are questions or concerns that we can help you with.

Congratulations to Savage Public School taxpayers! We have officially paid the final payment on the 2009 addition to our school! This is so exciting to not have construction debt. Thank you to all taxpayers for your continual support of our school. It is because of all of your financial support that our school is able to operate and maintain.

### Summer Updates

**Groundskeeping:** Summer has officially arrived and it appears that we are going to have continued heat and dry weather. However, we are so very grateful for the small amounts of rain that we are receiving. Our groundskeeper is working hard to keep the grass as green as possible and the weeds under control.

**Lighting:** Our new LED lighting is amazing! A big shout out to Prairie Electric for the installation. Another shout to MDU Resources for financing the entire project.

**Water:** Interstate Engineering is doing a root cause analysis to determine the best approach to repairing our water situation. We are working with and reporting to the Department of Natural Resource, as they are facilitators of the monetary procedures.

**Staff:** Diana Miller is retiring on September 15, 2021. The board has hired Michelle Miller to take over Diana's position. Currently, Diana is training Michelle. Welcome to Andrea Hansen, our new fifth grade teacher, Cortnee Cox, our new 7-12 science teacher, Jody Reed, our new assistant cook, and Wade Hagler our new administrative assistant.

Enjoy Summer!
