This newsletter will be available on our website and our Facebook. We are sorry that you are not receiving a mailing this month. Yet, we are short staffed due to COVID-19. Our October menu is posted on our website and Facebook. However, our Calendar of Events is changing daily, due to scheduling with other schools that are facing active cases of the pandemic as well. We will put out information as it comes in.

Thank you for your understanding.

## Updates:

- ✓ Our October School Board meeting has been changed to October 19<sup>th</sup>, 2020 @ 7:00 PM in the Commons.
- ✓ Our Fall Music Concert date has been changed to October 27, 2020 at 7:00 PM.
  - Our concert begins with a free will donation meal of chili and cinnamon rolls in the lunch room from 5:30-6:30 PM.
- ✓ At our October 19<sup>th</sup>, 2020 School Board meeting, the board will be considering the resignation of two board members. Lance Miller's and Brandon Ler's seats will be open. We want to thank both of these men for serving our school district and supporting education at Savage Public School.

This means we are looking for interested people who would like to put their names forward to fill these positions. Interested citizens need to send an email to Diana Miller stating their interest by November 12, 2020. The School Board will then consider all interested residents of the Savage School District who are interested in serving at the November 17<sup>th</sup>, 2020 board meeting.

Remember, both of the seats will be up for election at the May, 2021 school election.

- ✓ We are nearing the end of our joint construction project with Richland County. What a wonderful gift of help we received! Thank you to the Richland County Commissioners for helping our school and community with a much needed drainage repair. Thank you to the staff, families, students, and community members for all the flexibility and patience shown during the construction.
- ✓ We are looking for substitutes for substitute cleaning, kitchen, and teaching. Please email me if you are interested so I can send you an electronic application. The only part of the application that needs to be printed and scanned with the completed application is the notarized form. The application also serves as our ability to background check, so please call if you have questions on what all needs to be filled out. The school district pays for the background check!
